Dear Dr Law, Partners & ALL staff at Wetmore Road,

The PPG have asked me to write to congratulate you on the outcome of the recent CQC inspection. This is an excellent outcome and recognition of the hard work of every member of your team. We know you do so much more behind the scenes than the patients ever see.

Time and time again at PPG meetings comments are made which make us appreciate what a great practice we are part of and grateful for the service we receive.

We hope that as your PPG we can continue to support you as you move forward. If ever there is anything specific that you would like us to help with please do make us aware to enable us to be as effective as possible in our relationship with you.

Well done everyone!

Sarah Crathorne
Secretary of Wetmore Road PPG, on behalf of the whole PPG
